

Zimone, Quandrix Prodigy

The Math Deck - Simic Counters / Fractal Tokens / Copy Engine

2026-03-18 Upgrade Pass

OUT (remove these from the deck)

Arashi, the Sky Asunder	Niche anti-flier; outclassed by new threats
Crafty Cutpurse	One-time situational token theft
Desolation Twin	10 mana too expensive; new cards fill the role
Kaseto, Orochi Archmage	Lost combo partner (Spawning Kraken)
Kazandu Tuskcaller	Slow level-up; replaced by self-replicating Blob
Ruxa, Patient Professor	Too narrow - only helps no-ability creatures
Spawning Kraken	Narrow islandwalk combo requiring too many pieces
Theoretical Duplication	Entirely dependent on opponents' creatures
Trygon Predator	Conditional removal replaced by instant copy spell

IN (sleeve these up and add them)

Avenger of Zendikar	Landfall bomb - creates an army of Plants in one ETB
Biowaste Blob	Self-replicating Ooze each upkeep while Zimone is in play
Combine Chrysalis	Flying for all tokens; converts small tokens into 4/4 Beasts
Double Major	GU instant - copy any creature spell you cast
Koma, Cosmos Serpent	Uncounterable 6/6; generates Coil tokens every upkeep
Scute Swarm	Exponential landfall engine; standalone win condition
Tireless Provisioner	Free Food or Treasure on every land drop
Zimone, All-Questioning	Creates massive Primo Fractal at prime land counts
Zimone, Paradox Sculptor	Doubles counters on two targets per turn - core engine
